**NEW BUSINESS**

Mr. Hales presented proposed rule changes to Rule 010.07 regarding classroom hours and Rule 401.02.a and c. The Board discussed that these changes would clarify the rules that are currently before the Legislature and would allow for online education for both pre-licensure and continuing education. The rules would be submitted as temporary rules after the rules that are currently before the Legislature go into effect. The Board suggested one change in the language for clarity.

Moved by Mr. Van Wyk to approve the rule changes for submission as temporary rules to go into effect immediately following the rules currently before the Legislature, with the addition of adding the word course to Rule 401.02.c. Mr. Klundt seconded, motion carried.

**ADJOURNMENT**

The Board adjourned at 4:55 PM.
